

## Pine Run/BlackburnPoint Woods Social Club Mission Statement

The mission statement of the Pine Run/Blackburn Point Woods Social Club is two-fold: to build and support community through social activities and to be responsible stewards of the clubhouse.

To these ends the Club holds weekly meetings at the clubhouse to plan and implement a variety of events, assist members to implement ideas for new activities, raise funds through donations at parties, holding 50-50 raffles and organizing some fundraising events. Funds are used to buy paper/plastic goods, cleaning supplies, and other materials for the clubhouse. As stewards, club members keep the clubhouse organized and clutter free, oversee the cleaning crew, report problems to the maintenance crew or the Board as appropriate and perform any other requirements to maintain the communal spaces in as pleasant a condition as possible.
