PineRun BOD

# Social Distancing

Based on the best advice, and CDC guidelines, we encourage all residents to do their part in keeping each other healthy. Participating in any large social gathering may endanger your health. Be smart.

Along these same lines, we are asking the maintenance staff to do the same. Depending on what needs you have, and emergencies come first, we may delay any routine maintenance requests that involve entering and remaining in a condo unit for any considerable amount of time. This will be determined on a case by case basis. We know we need to keep our staff healthy for the entire community. Your assistance is appreciated.
